

Stockholmsmässan's group insurance for exhibitors

A very favorable insurance policy that covers your entire participation in the exhibition.

Together with Länsförsäkringar SAK AB, we have taken out group insurance for our exhibitors. The group insurance covers up to SEK 225,000 in insurance value, but you can increase your own insurance value for an extra fee amounting to 0.4% of the additional insurance value. Just send us an email no later than three (3) weeks before event start:

The group insurance applies throughout the EU/EFTA. For exhibitors outside the EU/EFTA, the insurance cover is only valid within the exhibition area. The group insurance covers the following:

- Your goods are fully insured during transport to and from the exhibition, including loading and unloading.
- Your goods are fully insured during the exhibition, including installation and dismantling.
- You also have cover for personal luggage, as well as costs incurred in the event of illnesses and accidents.
- The excess is SEK 1,000 per claim and theft.
- In the event of a break-in or theft from your own vehicle or trailer, the excess will be 20% of the claim (minimum SEK 5,000). Additional costs due to injury are included at up to 10% of the insurance value.
- In the event of a claim against you for property damage or personal injury, you are protected by third-party insurance which covers your liability under the Swedish Act on Damages.
- The insurance cover applies to exhibitors, registered co-exhibitors and companies represented on the stand.

Why is it important to be properly insured?

Transport to and from your participation at Stockholmsmässan:

- If your goods are being transported by an independent carrier, the goods are not normally insured against damage in transit.
- If your goods are damaged in transit and the independent carrier accepts liability for the damage, compensation is limited to SEK 150 per kg in Sweden. If the carrier does not accept liability for the damage, there is no compensation.
- If your goods are damaged while being transported in your own vehicle, the vehicle's insurance does not cover the damaged goods.
- Your goods may be accidentally lost or stolen in transit.

During your participation in the exhibition at Stockholmsmässan:

- If material you rent from Stockholmsmässan is damaged, under the rental contract you are liable to pay compensation for the damage incurred.
- Your goods may be damaged, stolen or lost during the exhibition.

Stockholmsmässan's group insurance for exhibitors provides you with good protection, serving as a useful complement to your business insurance.
